

# New Student Orientation

*Top 10 Things to know about starting your year at FHC*

## **Be involved**

Success is measured by more than academic achievement alone. FHC offers extra-curricular activities in athletics, fine arts, games, social responsibility, technology, and more.

## **Be kind**

FHC is a great place to learn because our students care about our school and each other. Show kindness, compassion and respect to your teachers, classmates, and the learning environment.

## **Be prepared**

Show up to school ready to learn with everything you need. Don't hesitate to reach out to someone; at FHC, asking for help is a sign of strength.

## **Use your locker**

You will be assigned a locker to store your personal items. Keep it clean, and don't share it.

## **Attendance**

We want you to show up on time, all the time. Period 1 class starts at 8:40am, and teachers submit attendance by 9:00am. If you are not physically in the class at that time a call goes home to inform your caregiver.

## **Leaving early? Sign out.**

If you need to leave early there is a sign-out sheet in the main office. We will call home to validate your absence and ensure the ASPEN system is updated.

## **Cell phones, etc.**

Are not allowed in class, but may be used during breaks.

## **Counselling**

To support you in your high school journey, you have been assigned a counsellor based on your last name:

A-G ▶ [Michel.morris@yukon.ca](mailto:Michel.morris@yukon.ca)

H-M ▶ [Sarah.Taylor@yukon.ca](mailto:Sarah.Taylor@yukon.ca)

N-Z ▶ [Aisha.alwarid@yukon.ca](mailto:Aisha.alwarid@yukon.ca)

## **Cafeteria**

Our cafeteria serves healthy food for breakfast and lunch. Prices range but lunch is usually \$5.00. It does not accept cash, only cafeteria cards; you can purchase one for \$20 or \$50 with cash or cheque.

## **Our library is awesome**

The FHC library is usually open before school, during lunch breaks, and after school. It is a place to read, reflect, and study, and has a ton of great digital and print resources.
